New Fullerton Rangers Field Manager is installed and running. TO update the field status it is pretty simple.

1. Log In - <http://fullertonrangers.com/administrator/>
2. After you log in, go to the "Components" Menu and open the "FR Field Manager" see image

- 1.
3. Now you will see a list of Fields, and there will be a pull down next to each one, pick the pull down to change the status and that is it.

- 1.
4. You can also click on the Field to edit the information about the field. Updates will update the date time and adjust the colors on the front page. There is three states.
 1. Open
 2. Close
 3. Not In Use - this option will remove it from the list on the front page.
